**HELP MAKE YOUTH ACTION DAY A REALITY!**  
**Special funding request for participating organizations**

Dear Friend of the Campaign for Summer Jobs,

We write to invite your organization to once again support the Campaign for Summer Jobs, and join our efforts to ensure adequate State funding for the Summer Youth Employment Program (SYEP) in New York. For the past 6 years, the Campaign for Summer Jobs has worked to sustain summer jobs for tens of thousands of New York City teens.

Youth Action Day (YAD) will occur on Tuesday, March 21, 2006. YAD has proven to be highly effective in highlighting SYEP to community members, elected officials, and the media, as well as for promoting civic engagement among the City's youth. Your continued support through donations has played a critical role in the success of these events. Over the past six years, the Campaign has had a small budget, consisting entirely of contributions by community-based and citywide organizations participating in our activities and a small donor-advised grant to cover the costs of YAD in Albany.

One of the most critical pieces of YAD is providing transportation for New York City teens to travel to Albany. In past years, some organizations have sponsored buses for Youth Action Day, which has helped us maintain our no-fee policy for participating groups and increased the number of youth that we could bring to Albany.

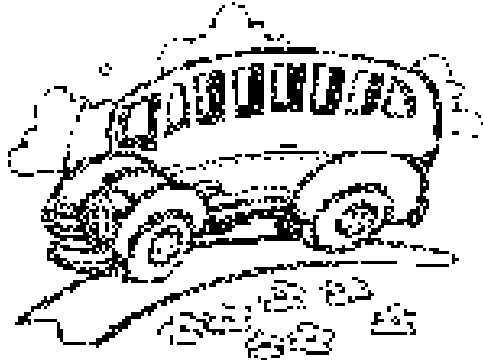

**At this time, we are asking all participating organizations to consider making a donation to cover the cost of a bus.** (The estimated cost of a 55-passenger bus is \$825). We estimate that we will need approximately 4 buses to transport around 200 youth and staff to Albany this year. If you are able to make a contribution, please fax back the attached form. United Neighborhood Houses has graciously agreed to continue serving as the Campaign's fiscal conduit, so please make checks payable to **United Neighborhood Houses** and mail them to, *Attn: Anthony Ng, UNH, 70 W 36<sup>th</sup> Street – 5<sup>th</sup> Floor, NY, NY 10018.*

Thank you!
